ICE 28" Walk-Behind Auto Scrubber

Large facility with a few tight spots? The i28BT is your solution. It is a fully automated walk-behind scrubber with a 26 gallon solution capacity, an electrical actuator for pad pressure up to 119lbs, and a durability-boosting cast aluminum brush deck with a curved squeegee. It has a 28in cleaning width, allowing for spotless floors in your smaller areas. Downtime is wasted time. Money spent on replacement parts takes away from your bottom line. We understand that you use your machines as hard as possible to do your job, and we recognize that sometimes maintenance is a necessity. That's why our auto scrubbers and cord electric equipment come with a 5 year warranty. We have faith that we put out the best equipment possible, but if anything happens, we're here for you.
